Hounds registered with the AKC under Purebred Alternative Listing (PAL) or Indefinite Listing Privilege (ILP) or the CKC equivalent may also be entered.

First Time Entry (FTE) & Dogs with 3 Incomplete Meets

Any FTE dog as well as any dog that has ONLY incomplete meets for its last 3 meets will be required to have a certification run prior to the Nationals.

Definition of FTE and 3 Incomplete Meets

- FTE: A dog that is being entered in competition for the first time.
- 3 Incomplete Meets in NOTRA: The Grading Guide shows that all of the last 3 meets had a designation of off course (oc), did not finish (dnf), or incomplete (y) next to the date of the meet.
- 3 Incomplete Meets in LGRA: The Grading Guide shows a “y” next to the score of the last 3 meets.

Proof of certification shall include:

- The name and signature of the Race Secretary who qualified the dog.
- The name of the club that the Race Secretary represents
- The date of certification.
- A statement that the dog came out of the racing box and ran the entire track cleanly with another dog of the same breed or one with a similar racing style. See form at the end of this premium. You may use this form or a substitute, as long as the required information is included.

FTE Dogs & Incomplete Meets (continued)

Proof of certification can be presented either

- With the entry form OR
- At roll call
- We may be offering cert runs for LGRA on Friday Afternoon, but not certain yet. Please check with me if you need this.
 - Your dog MUST be already entered in the Nationals LGRA meet.
 - You MUST make arrangements prior to the event by calling Terri Jones at 732-261-3587 OR by e-mailing Terri at SnoopyRockyMom@gmail.com.
 - These certification runs will be BY APPOINTMENT ONLY to ensure that somebody is at the field when you arrive.
 - You must provide a dog that your dog will certify with.
 - Only one FTE may run for certification at a time.
- A dog that is an FTE in NOTRA, but has competed successfully in LGRA, must STILL provide proof of certification in NOTRA before it is allowed to compete in NOTRA; however, a dog that is an FTE in LGRA and has competed successfully in NOTRA (can show a complete meet in the NOTRA grading guide) OR has completed a successful certification run will not have to provide proof of certification to compete in LGRA.
- Unfortunately, we can NOT set up a NOTRA certification track on the day before the nationals, so you MUST be certified prior to the event.
